

The Father
made us with love,
but we turned away.

So He gave us His Son
so we could be saved.

HIS SPIRIT

The Holy Spirit is God,
just like the Father and the Son.

You can't see Him,
but He's not hiding from us.

Have you ever felt the wind
blow on your face?

Have you seen trees bend
in a hurricane?

You can't see the wind,
but you can see what it does.

And you can't see the Spirit,
but you can know He's around. How?

You see, the Spirit's got
a super-huge superhero job.

He's been doing it from the start.

A large, stylized heart with a gradient from red to orange, set against a background of yellow and white rays radiating outwards. The background also features abstract geometric shapes in shades of pink, blue, and grey.

The Holy Spirit
connects us to God's
loving heart.
