*To every child who has felt an
emptiness inside. There is a risen,
living Savior who can fill you with
eternal love, hope, and joy!*

Let's face it: Some things in life should never be **EMPTY**. Take, for instance, a cookie jar.

A cookie jar with no cookies in it? Why, that's enough to bring a tear to the eye!

Your piggy bank.
*A piggy bank with
nothing inside?
More tears!*

Or imagine if you walked into your bedroom one day and noticed your pet hamster's cage was **EMPTY**.

*Oh no!
Fuzzball
must have
escaped!*

*Where are you,
Fuzzball? Please
come home!*

While we're on the subject, here are some other things that should never be **EMPTY** ...

Your stomach
Rumble, rumble ...

A party piñata

Big birthday blooper!

A swimming pool
Uh-oh. This is gonna hurt ...
